Matt Cahill was an ordinary man leading a simple life until a shocking accident changed everything. Now he can see a nightmarish netherworld that exists within our own. Now he's on a dangerous quest for the answers to who he is and what he has become...and engaged in an epic battle to save us, and his soul, from the clutches of pure evil.

When Matt wanders into a struggling Nevada tourist trap recreation of an "old west" town, he's unaware that he's being trailed by a Special Ops team of professional mercenaries hired by a University desperate to unlock the secret behind his resurrection...and that he's put everyone around him in dire jeopardy. The mercenaries have no intention of letting Matt escape...or letting any witnesses survive. Matt finds himself in a deadly bind. Somehow he must rally the peaceful citizens into defending themselves against the sadistic, well-armed mercenaries... or sacrifice himself to save them from certain death.
