Return to the halls of Pemberley one last time

"Romance and intrigue are on the menu as they were in all Jane Austen's novels." -*Book News*

It has been fifty years since Mr. Darcy took Elizabeth Bennet as his bride, and through half a century of both true happiness and difficult trials, their love has never faltered. When Charles Bingley's declining health forces Darcy and Elizabeth to travel with their dear friends to Europe, it will fall to the next generation to continue the legacy of love and family their parents have spent a lifetime establishing.

Reunions of old friends go hand in hand with the introduction of new adversaries, and long hidden secrets come to light. But as this chronicle comes to a close, the sadness in parting is tempered not only by splendid memories, but the knowledge that the legacy of Pemberley will live far beyond the written page...
