“Remarkable...Superbly anchored in place and time...[A] brilliant, evocative and accurate novel.”—*The Times* (London)

In the twilight years of Communist East Germany, Bruno Krug, author of a single world-famous novel written twenty years earlier, falls for Theresa Aden, a music student from the West. But Theresa has also caught the eye of a cocky young scriptwriter who delights in satirizing Krug’s work.

Asked to appraise a mysterious manuscript, Bruno is disturbed to find that the author is none other than his rival. Disconcertingly, the book is good—very good. But there is hope for the older man: the unwelcome masterpiece is dangerously political. Krug decides that if his affair with Theresa is to prove more than a fling, he must employ a small deception. But in the Workers’ and Peasants’ State, knowing the deceiver from the deceived, the betrayer from the betrayed, isn’t just difficult: it is a matter of life and death. Now the celebrated author and secret Stasi informer is ready to confess...

*The Valley of Unknowing* is both a moving and entertaining love story and a seductive thriller, one that pits the past against the future, commerce against creativity, and art against life.

#### **Kevin Roark:**

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's internal or real their hobby. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Valley of Unknowing can make you feel more interested to read.
