## **The Way We Live Now [with Biographical Introduction]** Anthony Trollope

Widely acknowledged to be the masterpiece of Trollope's prolific Victorian career, "The Way We Live Now" is the scathing satire he wrote upon returning to England after traveling abroad. In seeking to discuss the deceit and dissipation he found, Trollope spared no iniquitous aspect he perceived in business, politics, social classes, literature, and various vice-related activities. The result of his efforts is an impressive array of characters, such as the old coquette Lady Carbury, her dissolute son Sir Felix, a spoiled and treacherously lovely heiress Marie, and her colossal figure of a father Augustus Melmotte, the great financier whose deceptive plots dupe countless wealthy individuals. Through the swindling, bribery, feuding, and shameless self-promotion of these characters, Trollope writes a sweeping panorama of vice for the sake of monetary greed that will cause readers to reflect on the morality of our own time.
