## **The Wolf Woman (Fantasy and Horror Classics)** H. Bedford-Jones

H. Bedford-Jones was a hugely prolific author of pulp stories and dime novels. His 'Wolf Woman' is an excellent example of his work. Many of the horror stories of monsters and ghouls, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
