True Story: A Novel

Bill Maher

True Story: A Novel Bill Maher

Bill Maher, the hilarious, irreverent star of the hit ABC talk show *Politically Incorrect*, is one of America's hottest comics. But like many of today's late-night humor kings, Maher began his career navigating New York City's seedy stand-up comedy circuit. He was there back in the Golden Age of comedy, when everybody wanted to be Eddie Murphy, and even the laundromat had its own open-mike night.

True Story is Maher's debut novel about the wild and crazy life of the stand-up comedian -- a bawdy, rowdy tell-all report from the front line.

Set in New York, circa 1979, in the late-night, neon-lit comedy clubs when the comedy boom was just heating up, *True Story* features five would-be comics, their shticks, their chicks, their rampant egos. These guys are desperate for celebrity, desperate for money, and -- what else? -- desperate to get laid. Which means they're also required to become "road comics," shacking up in low-rent condos provided by sleazy club owners as the comedy scene spreads to the heartland in the early '80s. The result is a hilariously funny novel about the peculiar world of stand-up, where the ultimate prizes are fame, fortune, and fornication -- and the ultimate aspiration is, quite simply, to be laughed at.

Dick, Shit, Fat, Chink, and Buck -- so stage-named for their specialty jokes -- can't begin to fathom the idea of a day job. Hey, they think, it might actually be possible to make a living from comedy! Their crises -- on stage, on the road, and with the ladies -- provide ideal set pieces for Maher's tongue-in-cheek riffs and observations. With perfect-pitch delivery, in classic sardonic style, Maher gives us a bona fide look at these resilient comedians and the scumbag promoters, hostile audiences, and die-hard groupies who make up their warped and twisted world.

Only Bill Maher could have written *True Story*. And lucky for us he did. Because *True Story* is hilarious. It's offensive. At times it's even touching. So sit back as Maher puts you stageside at the very birth of the comedy boom. You'll laugh in all the right places. Hey, it's a *True Story*.
